Russian Association of Fashion Industry (RAFI) is now responsible for the execution of an important mission

June 1st and 2nd the first meeting of manufacturing plants from all over the world and Russian brands will be held at the **International Business Platform for Outsourcing in Light Industry**.

16 hours of hard work and more than 500 business meetings in 2 days!

The challenges facing the members of the platform:

- *- Optimizing Business processes,*
- *- Search of the tolling partners to use existing production capacity,*
- *- Improving the relationships with foreign counterparts and the acquisition of new business contacts*

The organization of dialogue between the Russian brands and manufacturers from more than 20 countries around the world will surely help solve the business challenges faced by both parties. Everything is possible on the business platform built on outsourcing concept. Now manufacturers of **Russia, Belarus, Kazakhstan, Armenia, Kyrgyzstan, Uzbekistan, Italy, Portugal, China, Bangladesh, Korea, India, Indonesia, Bulgaria, Czech Republic, Romania, Moldova and other countries** can establish an open dialogue during business meetings, private negotiations, round tables and discuss all issues with the concerned Russian brands, as well as to sign the contracts on cooperation. **Visitors:** owners and representatives of Russian ready-to-wear, shoes, accessories brands, which will choose the most attractive and favorable conditions for development of their businesses. Foreign manufacturers are always in need of new demand, Russian brands are always in search of the efficient partners for the tailoring collections.

* The conference and the practice sessions for business managers will be held along with business meetings, where the production and development problems of enterprises, risk management, government banking program, logistics, customs, certification, etc will be discussed

Registration fee for a business meeting participant (manufacturer) is 3,000 euro, which includes:
